

**Cools when hot.
Warms when cold.
Ideal comfort for the best night's sleep!**

For decades, carbon has been utilized in applications where high heat needs to be removed. It has the added benefit of being natural and helping to keep odors away. KülKöte Carbon uses carbon's hyper-conductive thermal properties to help move heat away from the body.

- 100% Water-Based
- Non-Toxic
- Odor Free
- Functions for a Lifetime
